Some things you need to know about using VA Benefits at Loma Linda University:

1. As a service to you, your enrollment will be certified automatically to the VA each term. If there is a term or terms when you do not wish to use your benefits, please provide a written statement (e.g. email) to the VA Certifying Official.
2. If you decide to withdraw from courses or the program, please be advised that certain chapters of VA benefit that receive tuition funding (Chapter 33 – Post 9/11, for example) may incur a debt for tuition costs if the course(s) are dropped after the 100% refund date. If you are a student in any Chapter, you may also incur a debt for Housing and Book Allowances you have received.
3. If your Cumulative GPA falls below 2.00 and remains below 2.00 for two consecutive terms, your VA educational benefits will be terminated in accordance with VA Standards of Academic Progress. NOTE: Your program may have higher GPA requirements.
4. If you are registered for undergraduate and graduate level courses simultaneously, only one level can be included in your enrollment certification. The course level that contains the greater status (Full-time/Half-time, etc.) will be used.
5. If you are not accepted into a program at LLU, you may use VA educational benefits to take up to 12 units for a maximum of two terms IF:
 - i. You are pending acceptance into a WEAMS approved program at LLU and
 - ii. Your registered courses meet the requirements or pre-requisites of the program you are applying to.
