Dentistry, DDS

Program Description
Dentistry is a rewarding, "personal touch" profession which naturally encourages one-to-one patient relationships. This career leads to a lifestyle that is diversified in its professional activities, creative in its opportunity for flexibility of hours, and provides a challenging, independent, and satisfying work environment.

We invite you to view the information on the American Dental Education Association's Go Dental Page for more information about a career in Dentistry.

**Notes**

- Amounts are what a student can apply to borrow for the number of months shown in each academic year based on living off campus with a roommate and not with a relative.
- International students need to calculate 12 months of living expenses based on the numbers listed here.
- In general, to qualify for financial aid a student must be enrolled at least half time taking degree requirements. Half time is 6 units in a quarter for undergraduate programs and 4 units in a quarter for graduate programs.
