# SURVEY OF THE HUMAN BODY

## A WORKSHOP FOR K-12 TEACHERS

Participate in a four-day immersive experience that will cover pertinent topics of gross anatomy which are utilized by clinical graduate courses. This workshop visits the main terms and concepts relevant to gross anatomy, followed by hands-on study of human prosected specimens in Loma Linda University Health's anatomy laboratory.

**Monday - Thursday**

**June 17-20, 2019**

**8:00 am - 5:30pm**

**REGISTRATION REQUIRED - SPACE IS LIMITED!**

**COST: \$100.00**

*Participants are responsible for their own food and lodging*

**Course Instructor: John C. Banks, PhD**  
*Associate Professor of Anatomy*

### Tentative Schedule

| DATE                   | TIME         | LOCATION    | TOPIC             | SECTIONS  |
|------------------------|--------------|-------------|-------------------|---|
| MONDAY<br>MORNING      | 8:00 - 9:30  | CLASSROOM   | THORAX            | Thoracic Wall<br>Thoracic Cavity and Viscera<br>- Pleurae and lungs<br>- Heart and great vessels  |
|                        | 9:45 - 12:00 | ANATOMY LAB | THORAX            |   |
| MONDAY<br>AFTERNOON    | 1:30 - 3:00  | CLASSROOM   | ABDOMEN           | Abdominal Cavity<br>Abdominal Viscera<br>- Esophagus and stomach<br>- Small and large intestines<br>- Spleen and pancreas<br>Posterior Abdominal Wall |
|                        | 3:15 - 5:30  | ANATOMY LAB | ABDOMEN           |   |
| TUESDAY<br>MORNING     | 8:00 - 9:30  | CLASSROOM   | PELVIS/ PERINEUM  | Pelvic Girdle<br>Pelvic Walls and Floor<br>Pelvic Viscera<br>Perineum   |
|                        | 9:45 - 12:00 | ANATOMY LAB | PELVIS / PERINEUM |   |
| TUESDAY<br>AFTERNOON   | 1:30 - 3:00  | CLASSROOM   | BACK              | Vertebral Column<br>Spinal Cord and Meninges<br>Muscles of Back   |
|                        | 3:15 - 5:00  | ANATOMY LAB | BACK              |   |
| WEDNESDAY<br>MORNING   | 8:00 - 9:30  | CLASSROOM   | LOWER LIMB        | Bones of Lower Limb<br>Anterior and Medial Thigh<br>Gluteal Region / Posterior Thigh<br>Leg and Foot<br>Joints of the Lower Limb                      |
|                        | 9:45 - 12:00 | ANATOMY LAB | LOWER LIMB        |   |
| WEDNESDAY<br>AFTERNOON | 1:15 - 3:00  | CLASSROOM   | UPPER LIMB        | Bones of Upper Limb<br>Pectoral/Scapular Regions<br>Axilla/Branchial Plexus<br>Arm/Forearm/Hand<br>Joints of Upper Limb                               |
|                        | 3:15 - 5:30  | ANATOMY LAB | UPPER LIMB        |   |
| THURSDAY<br>MORNING    | 8:00 - 9:30  | CLASSROOM   | HEAD              | Cranium<br>Face<br>Orbital region<br>Temporal/Infratemporal Regions<br>Oral/Nasal Regions   |
|                        | 9:45 - 12:00 | ANATOMY LAB | HEAD              |   |
| THURSDAY<br>AFTERNOON  | 1:30 - 3:00  | CLASSROOM   | NECK              | Fascia of neck<br>Post/Lat/Ant Cervical Regions<br>Deep Structures  |
|                        | 3:15 - 5:30  | ANATOMY LAB | NECK              |   |
