Together as One Loma Linda

Thursday, March 2 – Monday, March 6, 2017
Dear Alumni, former staff and friends,

Our Homecoming celebration is fast approaching! We invite you to participate in the 1st annual One Loma Linda Homecoming. It has been a dream of mine to invite all of you to share in one campus celebration. No matter which school you graduated from, we are celebrating the legacy of Loma Linda University Health and the alumni who live this legacy every day.

Over 111 years ago, we started on a journey and together we have reached many accomplishments. Over 30,000 alumni are invited to this homecoming week. Let us share in fellowship that spans generations, disciplines, cultures and faiths. Together we are stronger, together we advance the future of health care.

Our alumni are a special breed, their careers are meaningful to so many lives. It is our greatest pleasure to host this week and to celebrate you. This has become another way to be One Loma Linda — to educate, motivate and support our many alumni and friends who anchor at least part of their identity around this place.

Please take time to review the schedule and register for the multiple events we have to offer. Loma Linda awaits you from Thursday, March 2 through Monday, March 6, 2017.

See you soon!

Cordially,

Richard Hart, MD, DrPH
President
Loma Linda University Health

Annual Postgraduate Convention (APC)
Since its first illustrious offering in 1933, the Annual Postgraduate Convention, or APC as it is affectionately known, has grown from an afternoon to a four-day event of continuing medical education. Featuring world-class speakers and topics, the APC is a great place for any physician to learn, network, and receive continuing medical education credits.

The APC is sponsored by the Alumni Association of the School of Medicine of Loma Linda University. This activity is designed to change and diminish the gap between evidence-based medicine and practice.

Healthy People in Healthy Communities
Healthy People in Healthy Communities is the premier conference on Lifestyle Medicine and the Built Environment. This symposium underlines Loma Linda University's legacy of promoting health, longevity, and wholeness, while creating a platform for exploring the role of *blue zone areas as a paradigm for population health. This is an effort to inform effective multidisciplinary public health actions aimed at improving conditions that make us healthy.

*Blue Zone® is a registered trademark of Blue Zones LLC, and refers to places in the world where residents have much greater longevity. The community of Loma Linda was designated a blue zone in a National Geographic article by Dan Buettner. (Buettner, Dan: “The Secrets of Long Life,” page 9. National Geographic, November 2005.)

Homecoming Kickoff
Join us in kicking off Loma Linda University Health's first ever homecoming at our celebration on Thursday evening. You and your family will have a blast with delicious food from a variety of food trucks, carnival games, opportunity drawings and live music from our very own alumni and special guest, the Wedgewood Trio. Savor some roasted corn, win a ring toss and visit your school booth to reminisce and reconnect with your fellow alumni. If you graduated within the last 10 years, there is a special booth and swag just for you. Looking forward to seeing you at the Homecoming Kickoff!

Friday Tours and Open Houses
Do you wonder what has changed since your last visit to your alma mater? You can find out by joining one of the available tours or by visiting the schools during the open houses on Friday, March 3, from 1-4:30 p.m. You can hop on a bus or take a walk on one of these specially planned tours.

Tour the construction site of where our new state-of-the-art hospital tower will be built and walk through our new San Bernardino campus, the San Manuel Gateway College. See how the campus has transformed by touring the schools on main campus and by attending their open houses. Tour groups are limited to 20 individuals.

Loma Linda University Health – San Bernardino Campus
- Depart from Lot X – On the north side of Centennial Complex.
- See the newest facility providing quality education for students in the Inland Empire.

New construction, Hospital and Proton Center
- Meet at Lot X. More than just a hole in the ground – these towers will be the most seismically sound buildings in the United States.
**Sculptures and Historic Landmarks**

- Meet at Lot X.
- View Bible and historical stories through the eyes and hands of the sculptors who brought them to life and walk the Pathway that outlines our history.

**Anatomy Lab and Sim Lab**

- Centennial Complex – Lower Level Lobby.
- Visit state-of-the-art facilities designed to provide superb hands-on learning experiences.

**East Campus - Rehabilitation Hospital**

- Depart from Lot X – On the north side of Centennial Complex.
- A full continuum of care on one integrated campus that includes: inpatient rehabilitation, outpatient rehabilitation, orthotics & prosthetics and the PossAbilities club.

**Spiritual Programming**

Steeped in Loma Linda University Health’s rich history, is the mission to continue the teaching and healing ministry of Jesus Christ. As we come together as One Loma Linda, on Thursday, March 2 through Monday, March 6, our spiritual programming for the weekend will focus on this mission. Plan now to attend some or all of these special opportunities – reminders of why we do what we do every day.

On Friday, March 3, join us for a mission and prayer breakfast. This will be an opportunity for those who have served overseas to come together, hear a short devotional, find their name on the mission globe and celebrate God’s leading. Friday evening, join us for vespers in the Loma Linda University Church. Inspirational music and guest speakers will inspire you and renew your spirit.

Saturday, March 4, begins with a prayer walk. Join us for a thoughtful stroll around the inner campus. Together, we will have an opportunity to reflect on our history and pray for the future of our campus, our students and the lives of those we serve every day.

Our worship service will take place in the Drayson Center, where you’ll hear stirring stories and messages from students, alumni and guest speakers and a sermon by Randy Roberts.

Following afternoon reunions, please join us once more at the University Church for the annual Mission Vespers.

**Haystack Lunch**

Imagine tables laden with corn chips, mounds of lettuce, buckets of beans, stacks of cheese, piles of olives, bowls of salsa, sour cream, ranch dressing, guacamole and more! Oh, my!

Sabbath lunch on the Drayson Superfield will be the biggest haystack feed ever put together in Southern California. Best of all, you can layer your ingredients in the proper order (everyone has their own idea of what that might be). Join us for the food – stay for the fun!

**Loma Linda’s Got Talent**

Join us Saturday night in the Drayson Center for an evening of unparalleled entertainment featuring some of Loma Linda’s finest alumni talent. Hollywood’s got nothing on us.

**Homecoming 5K Fun Run**

Join us for a 5K fun run/walk around Loma Linda. The Start and finish will be at the Drayson Center. Register early to get a commemorative t-shirt while supplies last. The proceeds raised by this inaugural homecoming 5K will benefit special funds set up in memory of Dr. Sam Soret (School of Public Health) and Matthew Lynn Schrader (School of Allied Health Professions).
Message from Dean

This year was a special occasion in the life of our School, in which we celebrated our 50th anniversary. For the first time, we are hosting a universitywide homecoming, Thursday, March 2 through Monday, March 6, and inviting our alumni from all of our schools to join us in celebrating the values and mission of our University. It promises to be a grand occasion in which we celebrate the accomplishments of our alumni and share in the presentation of research, evidence-based clinical practice and joint sessions of common interest. It will be a wonderful time for family and friends, with a special kick-off event the first night and a combined worship service on Homecoming Sabbath. We will have our special time as a school to meet and greet, celebrate the accomplishments, enjoy the reunion of old friends and classmates and recognize your contributions to our communities and to the world. Please accept this as a personal invitation to join us and your classmates in our 1st Annual University Homecoming.

Schedule of Events

**Wednesday, March 1 – Friday, March 3**
**Registration** – Centennial Complex - West

**Thursday, March 2**
**CE Courses** – Centennial Complex
*See CE Course overview page for specific course topics, times and enrollment.

5–9 p.m.
**Kickoff Celebration & Concert** – Drayson Superfield

**Friday, March 3**
**CE Courses** – Centennial Complex
*See CE Course overview page for specific course topics, times and enrollment.

1–4:30 p.m.
**School Tours** – Nichol Hall

**Friday, March 3**
**4–5:30 p.m.**
**Awards Ceremony** – Wong Kerlee

*In light of all the new and great events planned for Homecoming this year, there will be no banquet, just an intimate awards ceremony for our rising stars and distinguished alumni recipients. This is a small event with guests receiving an invitation by mail. Please celebrate with us at all the other events!

**Sabbath, March 4**
**9–11:30 a.m.**
**Church Service** – Drayson Center

Noon
**Haystack Lunch** – Drayson Superfield

**Sunday, March 5**
**8–11 a.m.**
**Homecoming 5K Fun Run/Walk**
In honor of Mathew Schrader (SAHP) and Sam Soret (SPH).

Hope to see you there!

Message from Dean

As Dean of the School of Behavioral Health, it’s my pleasure to extend an invitation to alumni from Counseling & Family Sciences, Psychology and Social Work & Social Ecology to participate in the universitywide Homecoming event. This is a wonderful opportunity to reconnect with fellow alumni, friends, faculty and staff. I had the pleasure of seeing many of you at our school's first alumni reunion and was very impressed by the contributions being made to our local and global communities. At this year’s event, we will be offering free CEUs to all alumni! We will also be hosting a get-together at the Department of Social Work & Social Ecology with some fun activities and prizes! I look forward to seeing you soon.

Beverly Buckles, DSW
Dean, School of Behavioral Health

Schedule of Events

Wednesday, March 1 – Friday, March 3
Registration – Centennial Complex - West

Thursday, March 2
CE Courses – Centennial Complex
*See CE Course overview page for specific course topics, times and enrollment.

5–9 p.m.
Kickoff Celebration & Concert – Drayson Superfield

Friday, March 3
CE Courses – Centennial Complex
*See CE Course overview page for specific course topics, times and enrollment.

1–3 p.m.

Message from Dean

The School of Dentistry is delighted to be part of the first LLU combined alumni homecoming. Our alumni, faculty and students will continue to enjoy the clinical scientific sessions and class reunions. We will join the alumni, faculty and students from the other schools for a special kick-off session, interdisciplinary symposia, a free concert on Thursday at the Drayson Center field and the spiritual activities on Sabbath.

Please join us for this inaugural One Homecoming event, and bring your family and friends. Prince Hall will be open for tours on Friday afternoon, as will the other schools on campus. If you are interested in sending your children or referring your friends and neighbors to Loma Linda University, this is your opportunity to escort them through the various schools and facilities.

I look forward to visiting with you and to a successful One Loma Linda Homecoming!

Schedule of Events

**Wednesday, March 1 – Friday, March 3**
Registration – **Centennial Complex - West**

On behalf of everyone at Loma Linda University School of Medicine, it’s my pleasure to welcome you to the 85th Annual Postgraduate Convention (APC). Whether you’re a first-timer or a seasoned APC attendee, you couldn’t have picked a better year to attend.

In addition to the popular traditions that keep getting better every year, I consider it a privilege to witness history in the making. For the first time, all eight schools of Loma Linda University are coming together for what we’re calling One Loma Linda Homecoming. I’m so glad you’re here to be a part of this historic occasion.

Roger Hadley, MD
Dean, School of Medicine

Schedule of Events

85TH ANNUAL POSTGRADUATE CONVENTION
MARCH 3–6, 2017

Friday, March 3

7:30 a.m.–4:30 p.m.
APC Orthopaedics Symposium – Alumni Hall for Basic Sciences

For detailed information and to register please visit apc.llusmaa.org or call 909-558-4633

The 85th Annual Postgraduate Convention is organized by the Alumni Association, SMMLLU with the support of the School of Medicine.
Greetings to the School of Nursing Alumni! As we enter our 112th year of nursing at Loma Linda University, we are blessed to celebrate an alumni family that has grown to 9,458 graduates. It is important to remember that this number not only represents the many generations of our past undergraduate and graduate students, but also the countless relationships and memories that shape the collective LLUSN journey. It represents a chapter in the lives of our students that, through trial and triumph, brought their calling to fruition and prepared them to give compassionate and excellent nursing care wherever their careers took them. We recently identified a new vision statement that perfectly reflects the purpose of our school: “Preparing Tomorrow’s Nurse.” This Homecoming weekend, we look forward to reconnecting with you and celebrating the shared experiences that have prepared each of you to be the nurse you are today. We look forward to seeing you in March 2017!

Let us know you’re coming!
44th Annual Healthy People in Healthy Communities (HPHC)
1st International Symposium on Blue Zone® Science

On the eve of celebrating our 50th anniversary, the 2017 Conference is an opportunity to honor our past and embrace the future of public health. With this symposium, we want to underline the university’s legacy of promoting health, longevity and wholeness, while creating a platform for exploring the role of blue zone areas as a paradigm for public health practice.

We hope you’ll join us as we to honor our past and embrace the future of public health!

Helen Hopp Marshak
Dean, School of Public Health

Schedule of Events

Thursday, March 2
8 a.m.–Noon – Drayson Center
HPHC Session 1: Blue Zone® Area Science
For the first time in the same room, researchers studying each of the five demographically and epidemiologically confirmed blue zone areas will present their most recent information.

1–5 p.m.– Drayson Center
HPHC Session 2:
Deciphering the Blue Zone® Areas
Devoted to uncovering the complex web of interconnected biological (genetic and epigenetic factors), behavioral (lifestyle), environmental and societal factors common throughout each blue zone area that lead to longevity and healthy aging.

5–9 p.m. – Drayson Center
HPHC Speaker Meet & Greet
Alumni Celebration Kickoff Concert
Meet the distinguished blue zone area researchers, Blue Zone™ founder Dan Buettner and key leaders in the future of public health. Stay for dinner and the concert – the whole family is invited!

Friday, March 3
8 a.m.–Noon – Drayson Center
HPHC Session 3: Public Health 3.0 - A Paradigm Shift for Public Health Practice
The implications of blue zone area research creates value to inform us about what public health should be striving towards in the 21st century.

1–4:30 p.m. – Nichol Hall
School of Public Health Open House and Alumni Program Gatherings
Come see the major renovations taking place in Nichol Hall and reunite with faculty and fellow alumni.

Sabbath, March 4
9–11:30 a.m. – Drayson Center
Church Service

Noon
Haystack Lunch

Sunday, March 5
8–11 a.m.
Homecoming 5K Fun Run/Walk

HealthyPeopleConference.org

An event for the whole family!

Join us on the Drayson Center field to kick off Homecoming Weekend at our universitywide, family-friendly event! Reminisce and reconnect at your school booth, make new friends as you challenge yourself at the carnival games, enjoy delicious food and listen to the musical talent of the Wedgwood Trio and alumni and student groups. If you graduated within the last 10 years, there’s a special booth and swag just for you.

Concert by the Wedgwood Trio | Alumni talent | Food vendors
Carnival games | Inflatable slides | Vision 2020 booth
Loma Linda University School booths | Miniature train ride

Free swag for all
Loma Linda University Alumni!
