GENERAL INFORMATION

The information on this worksheet is used to determine the applicant's eligibility for loans and scholarships funded by the U.S. Department of Health and Human Services. The U.S. Department of Health and Human Services (DHHS) provides low cost loans or scholarships to eligible students in your program. To qualify for these funds, DHHS requires that parental information be taken into consideration (regardless of students age or marital status). The institution recognizes that the information provided on this form does NOT indicate that the applicant's parent(s) will assume financial responsibility for the applicant's educational costs.

The applicant is considered an independent student by both the institution and the U.S. Department of Education. Therefore, any loans given will be the sole responsibility of the student. Information provided on this worksheet will not affect an applicant's eligibility for other types of federal aid such as Pell grants and Federal Stafford Loans.

More information about the various loan and scholarship programs offered by the U.S. Department of Health and Human Services can be found at: <http://www.hrsa.gov/loanscholarships/index.html>

Note: You DO NOT need to submit this form, if your parents live in a foreign country and do not file a U.S. Tax Return. However, please do submit the Family Financial Information form, located at <https://home.llu.edu/campus-and-spiritual-life/student-services/financial-life/financial-aid/financial-aid-forms>.
